EXPERIENCE

Lisa worked for many years as a full-cycle Recruiter and Staffing Manager at HG Fenton Company and Time Warner Cable before becoming a consultant. She initiated and led recruitment strategy, data analysis and benchmarking, created job descriptions, formulated compensation reports, prepared and communicated EEO reports and annual Affirmative Action Plans, and promoted diversity recruitment initiatives. She has also partnered with universities and participated in community outreach projects to mentor, educate, and train members of the community in resume writing, creating a plan for identifying their ideal career and honing their interview techniques.

EDUCATION

Bachelor's Degree in Economics from SDSU
Human Resources Management Certificate from UCSD
Professional Certification from the Society of Human Resources Management (SHRM)

TRAINING

Predictive Index® (PI) certified | DDI Targeted Selection Administrator | Ken Blanchard - Situational and Situational Self Leadership | TalentSmart Inc, Emotional Intelligence Certification | LinkedIn Recruiter

Why work with Partain Consulting

Lisa and her team are known for developing strong working partnerships, quickly delivering quality candidates, and demonstrating honesty, integrity, and dedication to filling every position. She has a proven track record of success as evidenced by her many repeat clients and referral-based business.
